

BREAKUP SONG

DEERHOOF

Deerhoof drummer Greg here to introduce you to our latest record.

We've been called a lot of things, as you know. But pop has always marked the spot on the **Deerhoof** treasure map.

Pop = catchy
Pop = new
Pop = no rules

If you want to come dance or sing karaoke with **Deerhoof**, you don't have to ask twice.

We've just finished this sensational slice of Cuban-flavored party-noise-energy music. We called it *Breakup Song*. Just don't expect a bunch of Grammy®-baiting sob stories, OK? In **Deerhoof's** thesaurus, freedom's just another word for feeling good again and raising hell and getting away with it. Stick with us and the bad guys with guns will never catch up...
